

Drill Bits

AUGER BITS

- Long Series for electric drills and hand braces
- Made of Alloy steel for superb hardness, strength and durability
- Hex shank for positive chuck lock
- Machine pitched screw points for easy start and wide spiral for improved stability and chip removal

Part No.	Description	UOM	Pack Qty
AB16	Auger Bit 16mm x 400mm	Each	1
AB18	Auger Bit 18mm x 400mm	Each	1
AB20	Auger Bit 20mm x 400mm	Each	1
AB22	Auger Bit 22mm x 400mm	Each	1
AB24	Auger Bit 25mm x 400mm	Each	1

SPADE BITS

- Made of high grade carbon steel for superb hardness, strength and durability standard spade bits
- Deep groove point and cutting edge for faster chip removal
- Double cutting spurs scribe the outside of the hole reducing break out
- Grooved hex shank prevents slipping in drill chuck or bit extension

Part No.	Description	UOM	Pack Qty
SBP16	Spade Bit 16mm x 152mm	Each	1
SBP20	Spade Bit 20mm x 152mm	Each	1
SBP22	Spade Bit 22mm x 152mm	Each	1
SBP25	Spade Bit 25mm x 152mm	Each	1
SBP32	Spade Bit 32mm x 152mm	Each	1

Extension Shaft

SBPEB150	Spade Bit Extension Shaft - 150mm	Each	1
SBPEB300	Spade Bit Extension Shaft - 300mm	Each	1
